Dear Professor Gao –

It is with great pleasure that I invite you to join us here to work together on design and synthesis of novel ionic liquids during the period from December 15, 2018 to January 15, 2019. Many of our former colleagues will be here and look forward to seeing and being with you. I hope that you will understand that we are not able to help with your expenses. Please let us know if you are able to come even if not for the entire time. Looking forward to hearing from you and then having you with us.

Sincerely,
