Dear Prof. Gao,

RE: Visit to the University of Surrey, 28th September -15th October 2023

I would like to invite you to visit my research laboratory at the University of Surrey on 28th September -15th October 2023. Our research laboratory mainly focuses on computational mechanics of particle systems. I strongly believe your visit will provide a great opportunity for us to discuss our common research interest and to explore potential international collaboration.

Please don't hesitate to contact me if you need further information. I am looking forward to meeting with you.

Yours Sincerely,

Chuan-Yu (Charley) Wu
Professor of Chemical Engineering
Executive Editor - Powder
Technology
